

**Thank you for your interest in sponsoring a production at the Garrison Players Arts Center!**

As a sponsor of GPAC, you have the opportunity to partner with a well-established non-profit cultural landmark and to share your company's mission with hundreds of supporters within the Seacoast community. With over 60 years as a volunteer-based community theatre, GPAC currently reaches a broad range of audiences with youth programming, theatre and local musical acts.

The benefits of GPAC production sponsorship include:

- ◇ company listing in publicity materials
- ◇ advertising space in the theatre lobby for your marketing materials
- ◇ posting of your company's web link on the GPAC website
- ◇ an invitation to the opening night post-performance champagne toast of the sponsored show

Production sponsors help defray the cost of producing our shows, assisting us in paying for the royalties, scripts, and other production needs such as set-building materials. Your donation would allow us to continue offering quality theatrical productions to the local community.

Please consider sponsoring one of the upcoming shows in the GPAC 2015-2016 Production Season by completing the form below. Should you have any questions about becoming a production sponsor or about other ways you or your company could "get into the act" at GPAC, please don't hesitate to contact me.

Thank you for taking the time to consider this sponsorship opportunity. We look forward to speaking with you and welcoming you to our growing list of community sponsors.

Sincerely,

Phil Hesketh, Past-President, Board of Directors
